# President's Message

AS the President of the Jasper Park Chamber of Commerce, it is my pleasure to welcome you to the 2020/21 Chamber Year. Already filled with challenges of a pandemic and the resulting economic and social implications, the Executive and Board is anxious to embrace those challenges and in fact, turn them into opportunities to refresh, rebrand and relaunch our services to you, our members.

WE continue to strive for excellence in representing the needs of the membership through advocacy, education, information, and value-added benefits. The administrative team works diligently to serve you in a timely and effective manner.

YOUR commitment to the ideals of membership and the mandate of the Chamber of Commerce is testament to the understanding of the need for a collective voice for Jasper business and ultimately for our community as a world-renowned destination.

INDEED, the world has changed and specifically Jasper has seen it's fair share of impact from these unprecedented times however, destination reputation still the focus for us and as such, we invite each and every Jasper resident and business to engage in our effort to o support the future of our community. I wish you prosperity and indeed the opportunity to grow in Jasper.

Sincerely, Justin Melnyk, President

# We work for you!

ADVOCACY remains our top priority. We believe your voice matters! Sharing your challenges and working toward a successful bottom line is one of the reasons we arrange to have Federal MPs and Provincial MLAs visit Jasper. We also represent your interests by being an active participant in the Jasper Partnership Initiative with Parks Canada, the Municipality of Jasper, Marmot Basin and the Jasper Hotel Association.

The Jasper Park Chamber of Commerce is proud to represent the interests of our business community by playing a key role in Jasper's yearly events and festivals. These include Jasper in January and Canada Day— as well, our other initiatives— have led to increased visitation and ultimately to a more prosperous Jasper.
